

REMARKS

Claims 70-100 and 103-109 have been canceled without prejudice to their incorporation in a continuing application. Allowed claims 101 and 102 have been retained in the application. Objected to claims 72 and 76 have been rewritten as new independent claims 110 and 111, respectively.

Confirming the phone conversation with Examiner Thompson and the undersigned attorney on May 15, 2008, a new amendment responsive to the Office Action dated January 22, 2008 is filed herewith, removing the phrases "in the event..." that the Examiner considers introducing an alternative requiring further searches.

In view of the above, Applicant believes the pending application is in condition for allowance and such action is respectfully solicited.

Respectfully submitted,
